

## Installation Details

**Location:** IGA Extra Famille Girard Supermarket  
Bois-des-Filion, Québec,  
Canada  
[www.igafamillegirard.com](http://www.igafamillegirard.com)

**Scale problem:** Had to clean the scale with chemicals manually

**Model:** Vulcan 5000

**Area:** The main water inlet

**Treatment area:** The whole piping system

**Testing period:** 6 months

**Result:**

- Much less repairs
- No need to change filters every 6 months
- Better water quality

**5 stores** of IGA Extra Famille Girard supermarket chain have Vulcan units installed.

**Installed by:** Gestion L.B. Inc  
[www.calcairesolution.com](http://www.calcairesolution.com)

Vulcan 5000 was installed on the main water inlet to treat the whole piping system.
